

# AIRWORTHINESS REVIEW (Part-M Subpart I) TRAINING COURSE

## DESCRIPTION

This EASA compliant training course introduces the participants to the system and the legal background of airworthiness review. It discusses in detail paragraphs M.A.707, M.A. 710 and M.A.901 thru M.A.905.

During this course the participants will learn what airworthiness review means, how airworthiness review should be prepared and carried out, and which documentation is to be used. The participants will have a comprehensive knowledge of the requirements for the issuance of the Airworthiness Review Certificate. The conditions for the issuance of a Permit to Fly will also be addressed.
